

Mrs. Hedlund's Distance Learning Policy Updates
Distance Learning Late Work Policy:

As was our policy in the classroom: Items received after the due date will be considered late and will be corrected and then lose 50% of the points. Each week you will know what is expected of you by Monday and most items are due by Friday. Check the DUE DATE column closely each Monday to see what is expected of you.

Distance Learning Cheating/Plagiarism Policy:

If I verify you have copied from a classmate or the internet, or given your work to others to copy, that assignment/test will receive a zero with no chance to redo.

Weekly Assignment Doc/Check-In:

Each week (preferably Monday morning) you should check Moodle and/or your weekly assignment doc. We will use the same doc, but it will be updated by Monday morning each week. Any links for assignments can be found in Moodle or will be shared with you.

Communication/Homework help:

I am available by email anytime, but for sure Monday-Friday between 10-3:50. If you would like to ask me questions (or just visit!) face to face please send me an email and we will set up a Zoom invite to work together!
